The World's
Premier
Wireless
Community

The fastest
growing
industry
network in
Cambridge

***Nearly 250 companies
and still growing!***

Our Aims:

- Promote business and marketing opportunities and technology communications through our SIG activities
- Identify talent and aid recruitment
- Facilitate business development, especially at Founders' level

Exclusive networking ... finding the right people at the right time with the right knowledge!

What do people think of our SIG's?

- "Melting pot of ideas and market Innovation"
- "A chance to discuss real-world problems with like-minded individuals"
- "On a par with industry events"
- "Serious, but friendly and informal gathering of the like- minded"

"At the leading edge of thought leadership and wireless technology discussions"

Cambridge Wireless

29th – 30th June 2010, Cambridge

The Future of
Wireless
International
Conference
2010

A photograph showing five men in business attire seated at a long table covered with a dark blue cloth. They appear to be participating in a panel discussion or a meeting. There are water bottles and papers on the table in front of them.
