ABOUT CTW

Cambridge Tech Week is a global tech gathering designed to unite the brightest minds - **visionaries, world-leading experts, and strategic investors** - to drive **growth, collaboration, and transformative innovation** across the tech ecosystem.

As a globally renowned hub for groundbreaking ideas and cross-industry collaboration, Cambridge provides a unique environment where high-risk, bold concepts can flourish with reduced risk, thanks to its deep-rooted culture of innovation, research excellence, and strategic support.

At the heart of Cambridge Tech Week lies the region's distinctive business ecosystem, a powerful catalyst that seamlessly connects entrepreneurs, corporate leaders, investors, academics, and technology pioneers from across the globe. This dynamic network fosters meaningful collaborations, accelerates disruptive innovation, and drives real-world impact - shaping the technologies of tomorrow, today.

SEIZING THE AI ADVANTAGE

MONDAY

WELCOME TO CAMBRIDGE: UNLOCKING A WORLD-CLASS INNOVATION HUB

Welcome to **Cambridge Tech Week**, where cutting-edge technology meets global ambition. Monday sets the stage for an **immersive introduction to the Cambridge tech ecosystem**, offering business leaders, investors, and innovators from around the globe, the chance to navigate its unique strengths and opportunities.

DISCOVER THE CAMBRIDGE ADVANTAGE

- ▼ **Ecosystem Overview** – Gain insights into what makes Cambridge a world-class hub for research, deep tech, and commercial innovation.
- ▼ **Inward Investment and R&D Partnerships** – Explore how Cambridge connects breakthrough ideas with global investors, corporations, and talent to drive impact at scale.
- ▼ **Exclusive Site Visits** – Experience innovation firsthand with behind-the-scenes tours of leading tech companies shaping the future.

Whether you're looking to **expand into Cambridge, invest in groundbreaking ventures, or forge high-impact partnerships**, this day is your gateway to one of the most dynamic tech ecosystems in the world.

Get ready to connect, collaborate, and accelerate innovation from day one.

TUESDAY

INNOVATION LANDSCAPE: SEIZING THE AI ADVANTAGE

Innovation is not just about ideas - it's about execution, investment, and impact. **Innovation Landscape Day** brings together global business leaders, investors, and pioneers who are shaping the next wave of breakthroughs.

Join us for a **power-packed day of insights and collaboration**, where we dive into **Seizing the AI Advantage** - unpacking the opportunities, challenges, and game-changing strategies that define the future of AI-driven innovation.

From **keynote presentations by world-leading experts** to **high-impact roundtable discussions**, gain exclusive insights into scaling innovation, securing investment, and staying ahead in a rapidly evolving landscape.

The **dynamic Innovation Alley Exhibition** will play home to fifty of the brightest early-stage companies, scaleups, and larger tech companies, all offering a dynamic and interactive showcase of their solutions. Explore the ongoing disruption of the technology sector and see the latest innovative ideas and solutions.

The day culminates in a **prestigious Leadership Dinner**, bringing together the most influential minds in business and technology for thought-provoking discussions and unparalleled networking.

Whether you're looking to **sharpen your competitive edge, fuel your next big move, or forge powerful partnerships**, **Innovation Landscape Day** is your gateway to the future. Be part of the conversation - **be part of the change**.

WEDNESDAY

START-UP TO SCALE UP DAY: THE TRANSFORMATIONAL TECH OPPORTUNITY

Innovation doesn't just happen - it needs the right connections, capital, and expertise to thrive. **Start-up to Scale up Day** at Cambridge Tech Week is where ambition meets action, bringing together **entrepreneurs, investors, corporate leaders, and research pioneers** to unlock the next phase of tech-driven growth.

The UK continues to lag in translating innovation into commercial productivity, so today's discussions focus on bridging the gap between **global and local tech ecosystems**. Expect **insightful presentations from industry giants**, alongside **practical start-up workshops and an exciting scale up pitching event**, where the brightest emerging ventures will showcase their potential.

From **securing strategic investment and navigating global expansion to leveraging deep tech, AI, and cutting-edge research**, we'll explore the challenges and opportunities that define success in today's dynamic market. Throughout the day, **Innovation Alley** will feature some of the most exciting new start-ups, offering a first-hand look at the technologies shaping tomorrow.

Whether you're an **entrepreneur looking to scale, an investor seeking the next unicorn, or a corporate innovator scouting for disruptive technologies**, this is where **big ideas become industry-defining businesses**. **Join us and be part of the future of innovation.**

THURSDAY

BEYOND THE HORIZON: TECHNOLOGIES SHAPING THE FUTURE OF INDUSTRY

The future of technology isn't just emerging - it's here. **Tech Deep Dives** at Cambridge Tech Week brings together the brightest minds to explore **game-changing** innovations across **Med Tech / Health Tech, Climate Tech / Agri-tech, Quantum / Semiconductors**.

This is the day for **bold ideas, cutting-edge research, and real-world applications**. Expect **expert-led workshops** designed to help you **scale your business, expand globally, and leverage AI for competitive advantage**. Engage with industry leaders through **fireside chats, keynotes, and panels**, gaining insights that could redefine your approach to tech.

The Big Tech Debate – Where Opinions Clash and Ideas Spark

End the day by diving into **The Big Tech Debate**, a dynamic, interactive session that challenges conventional thinking. Playing to Cambridge's **legacy of innovation and debate**, this session will feature thought-provoking discussions on the most pressing issues in technology. Following last year's lively debate on the role of government in UK Tech, **2025 promises to be even more electrifying – watch this space!**

A Grand Finale – The Gala Reception

Close the week with the **celebratory Gala Reception**, where pioneers, investors, and innovators come together to **network, reflect, and toast to the future of tech**.

Join us as we push beyond the horizon – where breakthroughs happen, and industries transform.

INNOVATION ALLEY EXHIBITORS

And what better way to end the sponsorship options than the Cambridge Tech Week's exciting Innovation Alley.

This exhibition option can be bolted on to all other sponsorship levels for relevant tech companies or can be sponsored as a stand-alone element.

If you are a start-up, scale up or large company with a tech product to showcase*, this is the place to be. We also have the opportunity for member organisations and investors to showcase a selection of their portfolio companies in sponsored 'zones'.

QUALIFICATION CRITERIA FOR EXHIBITORS

START-UP EXHIBITORS

Come and test your ideas, raise your profile and build partnerships. Take advantage of this special offer for an exhibition space to position your start-up as a pioneer in the technology space.

We welcome applications from tech start-ups that span all industry sectors and meet the following criteria:

- ▼ Established for less than 5 years old
- ▼ Angel and/ or seed funded
- ▼ Employ less than 10 members of staff.

All confirmed start-ups will be given automatic entry into the Cambridge Tech Week Innovation Alley pitch event and will be notified if they are selected to pitch.

SCALE UP EXHIBITORS

Many tech companies are on their scale-up journey, and we want to help them meet the right people by presenting themselves within the Innovation Alley in specially designated areas. Take advantage of this special offer for an exhibition space and engage with attendees who can help you to grow and scale.

We welcome applications from tech scale ups that span all industry sectors and meet the following criteria:

- ▼ Minimum Series A funded
- ▼ Are revenue generating (minimum last three years)

ESTABLISHED TECH COMPANY EXHIBITORS

These companies will be well established tech companies who can provide a showcase of tech innovation existing or in development. They will likely act as success stories and exemplars of Cambridge tech, and provide inspiration to the start-ups, scale ups and the delegate audience. Come and meet more people within the tech ecosystem and build partnerships.

We welcome applications from corporate tech companies that span all industry sectors and meet the following criteria:

- ▼ Minimum Series B or privately funded
- ▼ Established global revenue stream
- ▼ Employ more than 100 members of staff

BRANDING AND PR

All exhibitors will be promoted as part of Innovation Alley:

- ▼ on specific sections of website and event app
- ▼ on relevant daily/ event collateral
- ▼ 100-word organisation profile on the Cambridge Tech Week website
- ▼ 100-word organisation profile on the event app.

EXHIBITION SPACE

There are different levels of sponsorship according to the business size, and choice of investment level, as follows:

- ▼ Zone - prime location, 6 x 1.5m
- ▼ Corporate - prime location, 4 x 1.5m
- ▼ Scale up - 2 x 1.5m
- ▼ Start-up - 1 x 1.5m

ATTENDANCE/ NETWORKING

Individual day passes for Innovation Alley will be allocated as follows:

- ▼ Zone 8 passes available across all events on Tuesday and Wednesday
- ▼ Corporate 4 tickets available within Innovation Alley
- ▼ Scale up and Start-up 2 tickets available within Innovation Alley

*Please note that exhibition spaces are sadly not open to service providers. This is purely a tech company showcase. If you would like to have a presence in front of the tech companies, please review the previous sponsorship options for opportunities to showcase your brand. The only potential exception will be if Diamond, Platinum or Gold sponsors take up this element out of their sponsorship package.

** electricity is not guaranteed, please advise on ordering if you will need electricity for your demo so we can assign the floorplan appropriately.

COST

- ▼ Zone £7,500 (3 available)
- ▼ Corporate £5,000 (5 available)
- ▼ Scale up £1,500 (10 available)
- ▼ Start-up £500 (31 available)
- ▼ 49 available
